Since we didn't have a quorum, there are no official minutes. We did talk informally about upcoming OurTown-OurFuture meeting on Wed. Jan 14 with focus on land use issues. CC and Babcock Library Program with Julius Pasay (Yale-Myers) will be on Friday June 12 at Knowlton. CC meeting with CT forest and Parks on Jan 16 at 10:30AM. Gwen shared about the land use map reading workshop she attended at NECCOG. The hands-on workshop taught how to read engineer maps and predict water flow. We discussed revisiting Langhammer to alter beginning of trail. Loretta will send brief outline of Langhammer management five-year goals to members for review and additions. Jan 26 CC meeting is canceled. Respectfully Submitted,

Loretta Wrobel
