

Smoke Alarms Save Lives!

We are installing free
smoke alarms
throughout
Eastern Connecticut
in April and May!

***Smoke detectors last for 10 years and need to be replaced.
They only function if they have working batteries!***

Did you know that if a fire starts in your home,
you may have just *two minutes* to escape?

Our partners and volunteers want to help you, your family, and our
community stay safe. Remember to test your smoke alarms
monthly and practice your fire escape plan.
